

CoPilot: A Better Way to Relocate Employees

NuCompass CoPilot is an affordable cloud-based solution for managing relocation. We offer a comprehensive platform that empowers employees to manage their move and access our vetted partners online, while giving you full visibility and budget control. We offer a variety of packages and levels of service that can take care of any relocation program — from simple lump-sum management to full-service global relocations.

With CoPilot, you can:

- **Determine what's needed ahead of time:** CoPilot includes an employee intake process that can be instrumental in helping decide what services to offer each relocating employee.
- **Set your budget and control costs:** With CoPilot's online cost estimator, you'll know the costs before authorizing a move, so you can get internal approvals, minimize exceptions, and not spend a penny more than necessary.
- **Manage expenses and maximize tax compliance:** Track all of your program costs and ensure compliance — all while maximizing tax benefits.
- **Help your employees relocate smoothly:** CoPilot empowers employees to complete a move on their own schedule within the defined budget.
- **Access vetted suppliers:** Your employees have direct access to pre-qualified suppliers at discounted rates and receive valuable information about their new community.
- **Get information, where and when it's needed:** Our online platform is easy to use and available on desktop, mobile, and tablet devices 24/7.

THERE ARE A VARIETY OF COPILOT SOLUTIONS THAT ARE PERFECT FOR RELOCATION NEEDS OF ANY SIZE.

CoPilot Solutions Overview

NuCompass CoPilot offers products that work for any organization or relocation need.

CoPilot Express

BEST FOR: Organizations upgrading from cash-based, lump-sum relocation programs. CoPilot Express provides a convenient solution for companies that use a lump-sum or cash approach to relocation. Express provides online tools for your employees to manage their funds and offers an easy way to capture tax savings for your company.

CoPilot Global

BEST FOR: Organizations that relocate or assign employees domestically and abroad. CoPilot Global offers packages for international assignment, permanent international relocation, and repatriation services, plus our full offering of U.S. domestic mobility services.

CoPilot Plus

BEST FOR: Organizations that relocate employees primarily domestically with minimal real estate services. CoPilot Plus offers a complete U.S. domestic relocation package for companies that typically relocate renters or offer a “managed cap move,” and don’t include a tax-protected home sale.

CoPilot Premier

BEST FOR: Organizations with existing high-touch relocation programs that want to add the power of CoPilot. CoPilot Premier is the perfect solution for companies with higher-volume relocation programs. With Premier, companies benefit from access to customized technology and our full range of U.S. domestic and global services.

CoPilot Pro

BEST FOR: Organizations that need additional real estate services for their domestic relocations. CoPilot Pro is a full U.S. domestic relocation package that includes everything in the Plus package, but adds tax-protected real estate services, such as Guaranteed Buyout and Buyer Value Option.
